

Corporate Support

Choose Loved Twice as your Charity this Year

We have a waiting list of 32 social service agencies requesting our help.
With your support – we could reach out to everyone one.
Thank you for helping the most precious among us...

Give a Corporate Gift to Loved Twice

Loved Twice relies on the generosity of local companies to sustain our activities throughout the year. Your company gift can have a deep impact in the lives of precious infants.

What your corporate gift can do to keep babies warm and cozy for their first year...

\$1,000 can provide *500 baby books to newborns*, promoting early childhood reading.

\$2,500 can provide a *year's supply of blankets and booties*, keeping babies warm through the night.

\$5,000 can provide *100 wardrobes-in-a-box*, clothing at-risk newborns for their first year of life.

Financial contributions are critical to keeping Loved Twice running, especially as we expand our services. There are many ways for companies to contribute:

Provide a direct corporate contribution or grant

Dedicate a day in which a percentage of profits benefit Loved Twice

Encourage employee giving and match their gifts

Host a mini-fundraiser with your employees

Donations can be made online (www.lovedtwice.org) or checks can be mailed to:
Loved Twice 4123 Broadway, Suite 815, Oakland, CA 94611
All donations are tax-deductible. Our tax ID number is: 94-3441434

Champion a Baby Clothing Drive and Sorting Party

Encourage your employees and/or customers to donate their gently used baby clothing, then host a sorting party where your employees carefully sort and lovingly pack the clothing into boxes. This is an excellent opportunity for team-building and for your company and employees to support your local community. Step by step instructions here: <http://lovedtwice.org/how-to-help/host-a-baby-clothing-drive/>
